1. Introduction

1.1. This Safer Recruitment Policy has been produced in line with the DfE guidance 'Keeping Children Safe in Education (Sept 22). This policy aims to ensure a safe and fair recruitment and selection is conducted at all times. Safeguarding and promoting the welfare of children, young people and vulnerable adults is an integral factor in recruitment and selection and is an essential part of creating safe environments for everyone in the College community.

2. Recruitment and selection policy statement

2.1 Leeds College of Building is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share in this commitment.

2.2 Leeds College of Building is committed to attracting, selecting and retaining employees who will successfully and positively contribute to providing a valuable service. A motivated and committed workforce with appropriate knowledge, skills, experience and ability to do the job is critical to the college's performance and fundamental to the delivery of a high quality service.

3. Purpose

3.1 To ensure the recruitment of all staff is conducted in a fair, effective and economic manner.

3.2 To achieve this purpose, those that are responsible for each stage of the recruitment process will demonstrate a professional approach by dealing honestly, efficiently and fairly with all internal and external applicants.

4. Scope

4.1 This policy applies to all the college employees and governors responsible for and involved in recruitment and selection of all staff.

4.2 The ultimate responsibility for recruitment and selection lies with the Governing Body. The Governing Body has delegated the responsibility to the Principal for appointing all staff.

5. Aims and Objectives

5.1 To ensure that the safeguarding and welfare of children and young people takes place at each stage of the process

5.2 To ensure a consistent and equitable approach to the appointment of all college staff.

5.3 To ensure all relevant equal opportunities legislation is adhered to and that appointees are not discriminated against on the grounds of race, nationality, gender, religion, age, disability, marital status, sexual orientation.

5.4 To ensure the most cost effective use is made of resources in the recruitment and selection process.

6 Principles

6.1 The following principles are encompassed in this policy:

- All applicants will receive fair treatment
- All applicant packs will include a job description detailing the post holders responsibilities for safeguarding.
- Employees will be recruited on the knowledge, experience and skills needed for the job

- Selection will be carried out by a panel with at least two members. At least one panel member will have received appropriate Safer Recruitment Training.
- Selection will be based on a minimum of completed application form, short listing and interview, but, whenever possible, involve other assessments.
- Posts will normally be advertised on our college website and the advert will include reference to the college's commitment to safeguarding and promoting welfare of children, young people and adults.
- The Equality Act [2010] makes it a requirement to make reasonable adjustment to the recruitment process if an applicant makes the employer aware that they have a disability. This applies to the entire recruitment process, from advertisement to appointment.

7. Equal Opportunities

7.1 Leeds College of Building is committed to providing equality of opportunity for all and ensuring that all stages of recruitment and selection are fair. Recruitment and selection procedures will be reviewed on a regular basis to ensure that applicants are not discriminated against on the grounds of race, nationality, gender, religion, age, disability, marital status or sexual orientation.

8. Safer Recruitment – Recruitment and Selection Training

8.1 It is a requirement that at least one member of the interview panel has completed LSCP approved Safer Recruitment Training prior to the start of the recruitment process. The College will ensure all line managers and appropriate Governors receive this training.

9. Pre-recruitment Process

9.1 Objective

9.1.1 The objective of the recruitment process is to attract, select and retain staff who will successfully and positively contribute to the future development of the college. The first experience an individual is important; therefore the experience should be positive and all those responsible for recruiting will:

- Leave a positive image with unsuccessful applicants
- Give successful applicants a clear understanding of the post and what is expected of them
- Take reasonable actions to reduce the risk of a bad selection decision recognising the potential cost and the college's commitment to safeguarding children, young people and vulnerable adults.

9.2 Application Form

9.2.1 A standard application form will be used to obtain a common set of data from all applicants. The application form could be adapted for different posts but will always include key information on safeguarding. As such, candidates must provide information on employment history and if appropriate adequately explain the reasons for any gaps. The candidates must complete, sign and date the declaration and follow instructions regarding the appropriate disclosure of relevant criminal convictions.

9.3 Job Description and Person Specification

9.3.1 A job description and where applicable a person specification will be issued for all posts. In the case of volunteers this will include a volunteer role profile. The job description/volunteer role profile will have a clear reference to an individual's responsibility to safeguard children, adults and promote their welfare.

9.4 Disclosure of Criminal Convictions - Self-Disclosure

All short-listed candidates who have indicated on the standard application form that they may have spent / unspent criminal convictions, will be asked to complete a self-disclosure form with their invitation to interview. The information will be considered by the HR Team prior to interview and relevant criminal convictions will be passed to the interview panel. Where a the conviction falls under a relevant category, a risk assessment will be carried out.

9.5 References

9.5.1 The purpose of seeking references is to obtain objective and factual information to support appointment decisions. They will always be requested directly from the referee using the standardised college form.

9.5.2 References will be sought on all short listed candidates and will be obtained, where possible, before interview so that any issues or concerns they raise can be explored further with the referee, and/or taken up with the candidate at interview.

9.5.3 The college will take reasonable steps to verify references received electronically.

10. Interviews

10.1 The interview will assess the merits of each candidate for the post, including at least one question exploring their suitability to work with children and young people. The selection process for people who will work with children and young people will always include a face-to-face interview even if there is only one candidate.

10.2 Interview Panel

10.2.1 A minimum of two interviewers will form the interviewing panel.

10.2.2 The members of the panel will:

- have the necessary authority to make decisions about appointments;
- be appropriately trained, (at least one member of interview panel will have undertaken Safer Recruitment Training).
- meet before the interviews to:
 - reach a consensus about the required standard for the job to which they are appointing;
 - consider the issues to be explored with each candidate and who on the panel will ask about each of those.

10.2.3 Where a candidate is known personally to a member of the selection panel this will be declared before shortlisting takes place. It may then be necessary to consider changing the selection panel to ensure that there is no conflict of interest.

10.3 Scope of the Interview

10.3.1 In addition to assessing and evaluating the applicant's suitability for the particular post, the interview panel will also explore:

- the candidate's attitude toward children and young people;
- his/her ability to support the college's ethos for safeguarding and promoting the welfare of children;
- any gaps in the candidate's employment history;
- any concerns or discrepancies arising from the information provided by the candidate and/or a referee.

11.2 All checks will be appropriately documented and retained on the individuals personnel file with information recorded on the college's single central record in line with the statutory requirements set out in Keeping Children Safe in Education (Sept 2021). Where information is unsatisfactory or there are discrepancies in the information provided this will be followed up.

11.3 Where:

- the candidate is found to be on the relevant barred List, or the DBS Disclosure shows s/he has been disqualified from working with children by a Court; or,
- an applicant has provided false information in, or in support of, his/her application; or,
- there are serious concerns about an applicant's suitability to work with children,

The facts will be reported to the Local Authority Designated Officer (LADO).

11.4 If an individual's DBS certificate is not completed a member of staff would only be able to commence work if the college is satisfied that:

When the supply member of staff arrives at the college, their identity will be checked and it will be confirmed that they are the same person on the documentation from the agency. The supply staff's details will be entered on the Single Central Record (SCR).

A copy of the Safer Recruitment Checklist will be completed with supporting evidence and placed in the file of successful candidates.
