What Career Will You Choose?

ARCHITECT ARCHITECTURAL TECHNOLOGIST/TECHNICIAN BENCH JOINERY BRICKLAYER BUILDING SERVICES ENGINEER BRIDGE BUILDER PROGRAMME CARPENTRY & JOINERY CONSTRUCTION SUPPORT TECHNICIAN CIVIL ENGINEER CONSTRUCTION PROJECT OR SITE MANAGER DIGITAL ENGINEERING TECHNICIAN DRY LINER ELECTRICIAN FOOTBALL ACADEMY GAS ENGINEER GENERAL CONSTRUCTION OPERATIVE HEATING & VENTILATION ENGINEER (SERVICE & MAINTENANCE) HEATING & VENTILATION ENGINEER (INDUSTRIAL & COMMERCIAL) MULTI-SKILLS L1 AND L2 PAINTER & DECORATOR PLASTERER PLUMBER QUANTITY SURVEYOR REFRIGERATION & AIR CONDITIONING ENGINEER ROOF SLATER & TILER TRANSPORT PLANNING TECHNICIAN WALL & FLOOR TILER WOOD MACHINIST

There are more than 3 million people working in construction roles, making it one of the biggest and most diverse sectors in the country.

The industry is facing a huge skills shortage which means there has never been a better time to join, with so many companies looking for talented people to join their team.

There are so many roles in the industry, and the majority you can study right here at LCB!

Secure your place on a course - scan the QR code and apply now!
