

Welcome to Careers & Employability at Leeds College of Building.

I'm Lisa Pannell, Careers Leader, and together with Alex Cairns and Jamie Kitcheman, our Careers Team is here to support you throughout your learner journey.

Whether you are exploring career pathways, developing employability skills or planning your next steps, we can help you make informed decisions about your future.

Our Careers & Employability Programme provides opportunities for learners to:

- Explore career pathways linked to their course and industry
- Meet employers and learn about opportunities within construction and the built environment
- Develop employability skills valued by employers
- Learn about local and national job opportunities, industry trends and future career options.
- Prepare for apprenticeships, employment, further study and higher education
- Access personal guidance from qualified Careers Advisers to help plan future study, employment or career options.

Personal Guidance

Personal guidance appointments are available for learners who would like support with career planning, future options or decisions about their next steps.

Some learners may also be offered personal guidance appointments throughout the year to provide additional support with planning their future and achieving their next steps.

We want every learner to have the information, advice and support they need to take their next step with confidence.

We can support you with:

- Career planning and future choices
- Apprenticeship, employment and higher education options
- CVs, job applications and personal statements
- Interview preparation and employability skills
- Exploring the different careers and opportunities linked to your course.
- Planning your future learning and career journey

How to Access Support

Careers appointments can be booked through Collsys or via your Progress Coach.

You can also contact the Careers Team directly:

Email: careers@lcb.ac.uk

Telephone: 0113 222 6045

Parents and carers are welcome to contact the Careers Team for information and advice to help support learners with progression decisions and future career planning.

Ready to take the next step in your career journey?
